**Dear Mr. Larsen,**

Thank you for your letter dated February 13, 2007. I appreciate your comments on how the Citizen's Petition for an EAW for the Kasson Elementary School (1917-18) could be improved. A revised petition with supporting evidence is enclosed.

I have discussed this petition with Dennis Gimmestad (651-259-3456), Review and Compliance Officer with the Minnesota Historical Society, State Historic Preservation Office. Dennis provided many valuable comments related to the attached document.

Your consideration of this petition is appreciated. I look forward to hearing from you.

Sincerely,

Kenton Spading
