

KARE (Kasson Alliance for Restoration) had a booth display at the Dodge County Free Fair. The booth was well attended and many people stopped by to offer support. The group has a full slate of upcoming activities including a booth at the Festival in the Park, having Dan Hoisington of Hoisington Preservation prepare the National Registration Nomination for the school, plus they are offering t-shirts for sale (proceeds to benefit historic preservation in Kasson), while lawn signs are available at no charge to "Save the School" supporters. For more information call 507-365-8324 or stop by Copy Cat Center in old city hall
